The Chairman advised the Committee that he felt that this meeting should be adjourned to allow more thought to be given to the best way forward before formally considering the business proposed in the Agenda. One member of the Committee was unable to be present at the meeting and he felt that it would be preferable for all members of the Committee to be present when discussing future issues

He also felt that the residents of Farringdon should be consulted before any formal decisions were made as a result of the recent sale of Massey's Folly.

Cllr. Oakley also reported that he had contacted HALC for advice and this should also be taken into consideration at the appropriate time. Reference was also made to Standing Orders regarding the membership of this Committee and this was an issue which might need to be resolved at a future Parish Council meeting.

It was then Moved and Seconded "That the meeting be adjourned to enable a Strategy and Plan to be discussed at a future meeting so that the Parish Council can achieve agreed objectives with regard to any future provision of a Village Hall for Farringdon.

On being put to the vote, it was: RESOLVED: That the meeting be adjourned to enable a Strategy and Plan to be discussed at a future meeting so that the Parish Council can achieve agreed objectives with regard to any future provision of a Village Hall for Farringdon.
