Present:

Cllrs Batley (Chair), Clegg, Craig, Horton, Mossman, Ryan and Williams. Also present were Hampshire County Councillor Mark Kemp-Gee, East Hampshire District Councillor David Ashcroft, five members of the public and Mrs Claire Gibbs, the Parish Clerk

MINUTES

- 34/19 **TO RECEIVE AND APPROVE APOLOGIES FOR ABSENCE AND WELCOME**
Apologies were received from Cllrs Mrs Farris (Vice-Chair) and Ms de Ledesma. A proposal was received, seconded and voted in favour of accepting the apologies received.
RESOLVED: That the apologies received be accepted.
(Power used: Local Government Act 1972 s85)
- 35/19 **TO RECEIVE AND APPROVE DISCLOSABLE PECUNIARY INTERESTS AND NON PECUNIARY INTERESTS (CLERK) - LOCAL GOVERNMENT ACT 1972 s117**
This was not required for this meeting.
(Power used: Local Government Act 1972 s117)
- 36/19 **TO APPROVE DISPENSATIONS FOR DISCLOSABLE PECUNIARY INTERESTS UNDER s33 OF THE LOCALISM ACT 2011 (COUNCILLORS)**
This was not required for this meeting.
(Power used: Localism Act 2011 s 33)
- 37/19 **TO RECEIVE RESOLUTION TO SUSPEND STANDING ORDERS TO ALLOW PUBLIC QUESTION TIME**
The meeting was suspended so that the public could raise issues.

PUBLIC QUESTION TIME

A member of the public asked what was being done to slow the traffic down on the A32? Also, he asked when would the bent Farringdon sign, on the A32, to the south of the village, be replaced? as it had been like that for many years.

The Chair, Cllr Batley, responded that the Parish Council is aware that speed is a concern in the village. The Parish have temporary traffic management signs, which can stay in one location for 21 days. The data collected from the signs is shared with the Police. The member of the public then asked why couldn't Farringdon have permanent speed signs such as those in West Meon. Cllr Batley

responded that permanent signs for Farringdon will be investigated and the results of that investigation will be brought to a future Parish Council meeting.

Also, Cllr Ms de Ledesma had volunteered to represent the Parish Council on the Communities Against Noise and Speed (CANS). CANS aim is to improve consideration and safety by all road users along the A32/A272 and surrounding villages.

Cllr Batley then spoke about a project that was being drawn up with Hampshire County Council, to replace the current village signs, including the bent one, with new signs. In addition, as part of the project, there would also be “dragons teeth” painted on the road at either end of the 30 mph zone in the village on the A32, alerting drivers of the change in the speed limits. Again the progress of this project will be reported to a future Parish Council meeting.

38/19 TO RECEIVE RESOLUTION TO RESUME STANDING ORDERS

The meeting was resumed following the conclusion of public question time.

39/19 TO APPROVE THE MINUTES OF THE ANNUAL COUNCIL MEETING HELD ON 15th MAY 2019 (for accuracy)

The Chair itemised the minutes of the Annual Council meeting held on 15th May 2019. A proposal was received, seconded and voted in favour that the minutes of the meeting held on 15th May 2019 be approved.

RESOLVED: That the minutes of the Annual Council meeting held on 15th May 2019 were accepted as a true record of the meeting.

(Power used: Local Government Act 1972 Schedule 12 Para 41(1))

40/19 MATTERS ARISING FROM PREVIOUS MEETING (for information only)

This was not required for this meeting.

41/19 TO RECEIVE AND APPROVE PAYMENT OF ACCOUNTS

The £600 payment made to Davtee for the pre-application work and submission for the proposed village hall on Church Green was paid out of the Parish Council's bank account because the Village Hall Charitable Trust (VHCT) bank account is in the process of being moved to HSBC and new signatories need to be set up.

It was proposed that the VHCT should reimburse the Parish Council for the £600 paid to Davtee. The meeting agreed with the proposal to reimburse the Parish Council for the £600 paid to Davtee proposal, so when the VHCT is in a position to make payments the £600 will be paid by the VHCT to the Parish Council.

At the VHCT meeting immediately prior to this meeting, the decision for the Trust's bank account to be moved from TSB to HSBC be reversed. So the Clerk will progress adding the new signatories (Cllrs Tony Batley, David Horton and David Williams) to the VHCT's mandate, once done the Parish Council will be reimbursed.

44/19 RISK MANAGEMENT POLICY DOCUMENT

At the Farringdon Parish Council Annual Council meeting on 15th May, agenda item 12/19, it was agreed that the panel of Cllrs; Cllr Batley, Cllr Ms de Ledesma and Cllr Mossman should review the Risk Management Policy document put together by the Clerk for the Parish Council.

Following the Cllr's review, amendments were made to the document. The Parish Council were asked to approve the Risk Management Policy document as amended.

Cllr Craig raised that the fire exits in the Golden Pheasant were locked when he arrived prior to this meeting and he had to ask for them to be unlocked. Whilst he was happy with the Risk Management Policy document he suggested that a section be added that covers the fire compliance of the venue where the Council's meetings are held, currently the Golden Pheasant Public House, be added when the document is next reviewed. The Risk Management Policy document will be reviewed in October (2019).

The Parish Council approved the Risk Management Policy document and agreed that a fire compliance section relating to the venue where meetings are held, be added when the document is reviewed in October 2019.

RESOLVED: The Risk Management Policy document was approved and a new section regarding fire compliance at the venue for Parish Council meetings will be added when the policy document is reviewed in October 2019.

45/19 PROPOSAL FOR THE COUNCIL'S DOCUMENTS (STANDING ORDERS, FINANCIAL REGULATIONS, ETC) TO BE APPROVED AT JULY'S FARRINGDON PARISH COUNCIL MEETING

As the Annual Parish Meeting in May always has a full agenda, so it was proposed that from the Council year 2020/2021 the main documents of the Parish Council, such as the Standing Orders, the Financial Regulations and other policy documents be updated and approved at the July meeting of the Parish Council.

The Parish Council agreed, so from the 2020/2021 Council year, the main documents will be approved at the July meeting Parish Council meeting.

RESOLVED: The Parish Council's main documents will be reviewed, updated and approved at the July Parish Council meetings in the future, from the Council year 2020/2021.

Proposal: Change of use of ground and first floor of redundant mill building for a mixed use of Class B8 storage, Class B2 motorcycle workshop and sui generis use motorcycle MOT testing with ancillary photo studio

Planning Officer: Lisa Gill

Planning Officer's comments: No Comments made

Closing Date (for comments): 26th July 2019

Parish Council response: Objection

Farringdon Parish Council considered this application at a full Council and Planning meeting on 3rd July 2019, at which 4 local residents raised concerns.

Farringdon Parish Council have noted that the current Use Status of The Old Mill is currently B2 and that this application seeks to change the use to mixed 'B2, B8 and Sui Generis'.

The Parish Council Object to this Change of Use, because;

1. It will have an adverse effect on the Peace and Tranquillity of the neighbourhood and SDNP, because of the use of air driven power tools and other machinery;
2. It will have an adverse effect on the residential amenity and amenity of SDNP, because of the increase in noise from motorcycles attending, being tested and serviced at the facility;
3. The Change of Use is inappropriate for a business that is situated in the South Downs National Park

With regard to the Noise Impact Assessment, the Parish Council question the assumption in the report that noises caused by expanding gases, eg, Motor Cycle Exhaust systems, Air Driven power tools and Pressure Washers are not deemed to be of an 'Impulsive Nature' as stated at, 11.4, None of the noise sources observed emit noise of an impulsive nature; no corrections for impulsivity are deemed necessary.

Therefore we submit that if a correction was made for an Impulsive effect, that the Adverse Impact may rise from Low to Significant as stated at, 12.1, A Sound Rating Level that exceeds the background noise level by around +10dB is likely an indication of Significant Adverse Impact, depending on the context.

47/19 TO NOTE THE PROGRESS ON THE SOUTHAMPTON TO LONDON PIPELINE PROJECT AND TO DECIDE WHETHER TO MAKE A RELEVANT REPRESENTATION TO THE PLANNING INSPECTORATE

The planning application for the works associated with the Southampton to

London pipeline project was accepted for examination by the Planning Inspectorate on 11th June 2019. The application has now progressed onto the next phase of the Development Consent Order planning process - the Pre-Examination. During this phase, an Examining Authority will be appointed and Parish Council's (and other bodies) have the option to register with the Planning Inspectorate to become an Interested Party by making a Relevant Representation.

Being an Interested Party allows you to make representations about the application and ensures that you are informed of the progress of the Examination, which follows Pre-Examination and lasts up to six months, as well as being notified of the final decision. A Relevant Representation is a summary of a person or organisation's views on an application, made in writing.

The Parish Council has until 23:59 on 27th July to make a Relevant Representation to the Planning Inspectorate to become an Interested Party.

The application form and its accompanying documents, plans and maps are available for inspection free of charge via USB drives and a tablet at the Library in Alton (Vicarage Hill, GU34 1HT) until 27th July 2019.

The Parish Council voted in favour for the Clerk to make a Relevant Representation to the Planning Inspectorate on behalf of the Parish Council. The Relevant Representation should explain that the Parish Council needs to be kept informed of the progress of the Examination as well as being notified of the final decision, due to the impact that the project will have on the residents of Farringdon.

RESOLVED: The display of the application form and the accompanying documents at the library in Alton was noted. In addition, the Parish Council voted for the Clerk to make a Relevant Representation to the Planning Inspectorate regarding the Esso Southampton to London Pipeline which requests that the Parish Council be kept informed of the progress of the application due to the impact that the project will have on the residents of Farringdon.

48/19 TO NOTE THE NEW GOVERNMENT FUNDING FOR RURAL BROADBAND

The Clerk has received notification regarding funding available as part of the Government's Rural Gigabit Connectivity programme. Rural premises with broadband speeds of less than 30Mbps can use vouchers worth up to £3,500 for each small and medium-sized businesses (SMEs), and up to £1,500 per residential premise, to support the cost of installing new gigabit-capable connections.

Group projects, when two or more residents and/or SMEs get together and combine their vouchers to share the cost of installation, can be established.

For further information please visit: <https://gigabitvoucher.culture.gov.uk/>

The Cllrs noted the information and requested that information on the scheme should be put on the Parish's website and sent out using Farringdon.net.

RESOLVED: the gigabit voucher scheme was noted and it was agreed that information regarding the scheme should be put on the Parish's website and sent out by Farringdon.net.

49/19 PROPOSAL TO REPLACE THE NOTICEBOARD OPPOSITE THE END OF CHURCH ROAD ON THE STREET

The village notice board on The Street opposite the end of Church Road is quite weathered and its' replacement had been suggested at a previous meeting. Cllr Batley suggested that the replacement of this noticeboard be revisited, he had already contacted the owners of the property that the noticeboard is on and they did not object to a replacement being installed. The noticeboard is a village noticeboard, not the Parish's, however, it is used to display Parish notices. The Cllrs agreed that a replacement board should be investigated, a similar size to the existing board that is weathertight, but not lockable so that members of the village can still use it to display their community related notices.

RESOLVED: the Clerk to investigate a replacement noticeboard for the current village noticeboard located on The Street, opposite the end of Church Road.

50/19 CLERK'S CiLCA UPDATE

The Clerk reported that she had received feedback from the first CiLCA unit that she had submitted - Unit 3 the Finance for Local Councils. The unit had been marked and she received an exemplary submission award for the unit. The Clerk is intending on submitting the remaining four units by the end of July, which is almost two months ahead of the deadline of 26th September 2019. The Cllrs congratulated the Clerk on the good news.

RESOLVED: The Clerk's progress on the CiLCA qualification was noted.

54/19 COMMUNICATIONS: Key messages from the meeting

- The Clerk had received an update on the Esso Southampton to London Pipeline project. The planning application has been accepted for examination by the Planning Inspectorate. It was agreed, by the Parish Council, that a "Relevant Representation" be made so that the Parish continues to be updated of the progress of the project. The application form and its accompanying documents, plans and maps are available for inspection free of charge via USB drives and a tablet at the Library in Alton (Vicarage Hill, GU34 1HT) until 27th July 2019.
- Broadband for rural communities - As part of the Government's Rural Gigabit Connectivity programme rural premises with broadband speeds of less than 30Mbps can use vouchers worth up to £3,500, for each small and medium sized business (SMEs) and up to £1,500, per residential premises to support the cost of installing new gigabit-capable connections. Two or more residents and/or SMEs can combine their vouchers as a group project. Please visit: <https://gigabitevoucher.culture.gov.uk> for more information.
- The Parish Council considered the following two planning applications: SDNP/19/02814/TCA, Tangley Hall, The Street Upper Farringdon. Where the proposed works were to fell an existing Comice Pear tree and to replace with either an apple or a pear tree. The Parish Council had **no objection** to the application.

SDNP/19/02683/FUL, Old Mill Farringdon Business Park Aylwards Drive. Where the proposal was a change of use of ground and first floor of redundant mill building for a mixed use of Class B8 storage, Class B2 motorcycle workshop and sui generis use motorcycle MOT testing with ancillary photo studio. The Parish Council **objected** to the changes contained in the application.

- During public question time the speed and noise of vehicles on the A32 was raised and whether permanent signs could be sited on the A32 rather than the temporary Parish Council's traffic management signs. The Parish Council has joined the Campaign Against Noise and Speed (CANS) and permanent signs for the A32 will be investigated.
- Finally, the Parish Council would like to remind the public of the Parish's website: www.farringdonpc.org. You can find meeting agendas, minutes, financial information and other Farringdon related information.

The meeting ended at 9:30pm
